

"Effective Bible Teaching"

This session reminds us that the 'truth' of scripture is woven into the Biblical narrative, and helps us reflect on how a balanced holistic approach to teaching the Bible to young people can be developed. It also considers the problems that may arise if we neglect to teach the background narrative and just teach out of context.

Length:

1 ½ hours + questions + small group work as required.

Presentation:

PowerPoint with PDF of notes.

Availability:

This is bespoke training - so as and when your church requests it.

Aimed at:
