

"Free to serve"

This presentation uses the S.H.A.P.E. model and, if requested, prayer ministry can be offered for young people and leaders alike. The session explores what the gifts of the Spirit are - and is aimed at helping young people discover / examine what gifts they might have. It can also be used with larger volunteer teams to help reflect on the different gifts within a team - and how those gifts can come to the fore in your ministry with young people.
