

LINKUP

CONFERENCE

WHERE AND WHEN //

All Saints Church, Crowborough TN6 1ED
6th July 2010 / 12:00pm - 2.30pm

In culmination of the "LinkUp" research the Diocese has been doing in East Sussex, we invite you to "LinkUp" with those working with young people in a faith context in your area!

There'll be workshops on recruiting volunteers, engaging with youth outside of the church, and starting youthwork in your area from scratch. Plus, learn about funding and training opportunities from regional organisations and meet others working in your area.

**Be encouraged and resourced,
and help us resource others!**
