

A new multi-volume discipleship course for 14 to 18s using tried and tested activities, written by experienced youth workers. Each volume contains ten sessions and a thematic syllabus built around a biblical framework. Available from [www.scriptureunion.org.uk](http://www.scriptureunion.org.uk)

If this series runs and runs could be an extremely valuable tool - looks good so far.

This is a great resource, exploring character by looking at people in the bible and relating it to cotemporary life. What makes it so good is that you have a teaching resource, and linked with it from CWR, bible notes that each young person can do themselves to compliment the group teaching. Material available from [www.yfc.co.uk](http://www.yfc.co.uk) and the bible notes from [www.cwr.org.uk](http://www.cwr.org.uk)

Although American, the resources from this site are top quality. What I find especially helpful

are their "freebies" of which there is a huge back catalogue - videos, PowerPoint backgrounds, audio, teaching material etc. And, despite the recession, I think much of their stuff is still good value at the current exchange rate - most of their material can be downloaded, so you don't need to wait for things to be shipped over once you have paid.
